PARTNERSHIP/LLC TAX ORGANIZER (1065)

We have attached an income tax organizer that will assist you in gathering the information necessary to prepare your tax return for the current year.

The Internal Revenue Service matches information reported on 1099s and K-1s with amounts reported on income tax returns. A negligence penalty may be assessed where income is underreported. Accordingly, all 1099 forms, K-1 schedules, and other information reflecting amounts reported to the Internal Revenue Service should be submitted with this organizer.

Partnerships are also required to report any foreign income sources on new forms K-2 and K-3. This also applies to any partners that have foreign income sources on their personal returns. Please inform us if there are any foreign income sources.

The filing deadline for your partnership tax return (Form 1065) is March 15, 2024. Your completed tax organizer needs to be received no later than March 5, 2024. Any information received after this date may result in an extension being filed.

If a 6-month extension of time is required, any non-resident withholding tax due with this return must be paid with the extension. Any taxes not paid by the filing deadline may be subject to late payment penalties and interest.

We look forward to meeting with you and providing these services for you. **Payment for tax preparation services is due prior to filing the return.** Should you have questions, please do not hesitate to contact us.

Sincerely,

Jeffrey R Wangsgard & Associates LLC
